Automotive Air Conditioning Video Series (Complete Set of 4 Tapes) Cengage Learning Delmar

This all-new series, featuring a total of four videotapes, uses a combination of live action and professional-quality animations to introduce viewers to automotive air conditioning system components, air conditioning controls, recharging and service procedures, plus important theory. In all tapes, actual automotive technicians, authentic automotive repair shops, and late-model vehicles are used to ensure that information is presented in a real-world context. Ideal for use independently, this video series may also be used as an effective supplement to any automotive technology book.
