The Via Francigena Canterbury to Rome - Part 2: The Great St Bernard Pass to Rome (Cicerone Guide) Alison Raju

This comprehensive new guide by an experienced author of guides to pilgrim routes covers the second half of the Via Francigena walking route - 1900km of contrasting terrain crossing Europe from Canterbury at the south-east corner of England to Rome in Italy. Part 2 takes walkers from the Great St Bernard Pass to Rome and these two volumes make up the first full guide (in any language) to this ancient route, now designated a European Cultural Itinerary and increasingly waymarked and well supplied with accommodation. Illustrated with clear, original sketch maps and colour photographs, the step-by-step route description also includes detailed information about historical sites and all facilities available along the way. Relatively flat sections in northern France, full of historical and cultural resonance from great and ancient cathedrals to the battlefields and cemeteries of two world wars, give way to the mountainous Jura and a strenuous passage over the Alps, via the Great St Bernard Pass, all passing through villages and towns with interesting churches and religious monuments.
