## **Vitae Est Crudelis Dominae** Mr Omar Alexandros Saltout

This book was written during a time period where I was unaware of who I was, and where I stood. This is supposed to reflect not just my feelings during my darkest time but to reflect the cruelty of this world, the harshness one can come against. The reason why we should fight for our dreams, despite the darkness we may come across not just to become better men but to elevate ourselves to the next level. A level where life can't stop us, where every hardship is seen, appreciated, accepted, and fought till we eventually succeed. Every story has a moral behind it, a lesson that can remain engraved in ones heart if they have lived under similar situations. I can only say that much. I will not promise you that this is a masterpiece, it is short, in parts complicating, and written in an auspicious manner but I can promise one thing. This book talks about society, the cruelty of people and the reality of life. The choice is yours do you really want to live in a dream state of denial? Vitae Est Crudelis Dominae in Latin stands for life is a cruel mistress. For most she is but at the bottom of the line she can be the cruelest, the hardest but one can still climb on top of her and seize their moment.
