J. F. Rutherford

The Harp of God: Proof Conclusive That Millions Now Living Will Never Die J. F. Rutherford

The contents of this book were originally delivered by Rutherford in a speech given in 1918. This brochure was published two years later in 1920.

Rutherford argues that in 1914, the world had "ended legally", and that millions of people then living would never die.

He states that the final jubilee "would end in the fall of the year 1925, at which time the type ends and the great antitype must begin. What, then, should we expect to take place? In the type there must be a full restoration; therefore the great antitype must mark the beginning of restoration of all things. The chief thing to be restored is the human race to life; and since other Scriptures definitely fix the fact that there will be a resurrection of Abraham, Isaac, Jacob and other faithful ones of old, and that these will have the first favor, we may expect 1925 to witness the return of these faithful men of Israel from the condition of death, being resurrected and fully restored to perfect humanity and made the visible, legal representatives of the new order of things on earth."

"Jehovah had a great plan before the foundation of the world; but no one knew about it. During the first four thousand years of man's history God's plan was kept a secret. He began to reveal it to man nearly nineteen hundred years ago, and then only to those who are consecrated to do his will. Promise was made that greater light should come at the end of the age, and this promise has been kept. We are at that time, as is clearly proven by the contents herein. This book points out the salient features of the divine plan, which plan is both orderly and progressive.

"People generally have not been thoroughly instructed in the Bible. Even those who have attended the Sunday schools have merely learned the text and not the meaning of the text. Like the prophets of old, they have heard but understood not. The real reason for these conditions is that God's plan could not be understood until his due time to reveal it. His due time is here.

"Because of the dispensational change taking place at this time, Bible study was never so important as now. If important to educate the rising generation in the things taught in our common schools, with stronger reasoning is it important to educate them concerning that which is now being revealed of the divine program for the uplifting and blessing of mankind.

"There is no disposition, desire, nor attempt to induce any one reading this book to become a member of any organization, sect, or denomination. The sole purpose of the book is to aid honest seekers for truth in their endeavors to understand the Bible, to learn the meaning of the present day events, and to prepare some at least to receive the blessings that are soon due to mankind.

"If you knew that there was to be a radical change in the government for the better, and that your children might have a part in the affairs of the new government, you would be anxious for them to acquire all the knowledge possible concerning the new order of things. The greatest changes of the ages are now taking place. It is conceded by everybody that these changes began with the World War and that they continue. But what do they mean? The real answer is that the old world, or social and political order, has ended and is

passing away, and that a new and better order is due and will shortly be established. Every parent owes it to his child to instruct him insofar as possible concerning the incoming new order or government. The contents of this book will start you in the right way.”
