Edmund Hillman:

Information is provisions for individuals to get better life, information currently can get by anyone in everywhere. The information can be a understanding or any news even an issue. What people must be consider whenever those information which is inside former life are challenging be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take The New Criticism as your daily resource information.

Barry Bennett:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The New Criticism can make you really feel more interested to read.
