## **Working With Independent Contractors** Stephen Fishman J.D.

This is your complete guide to hiring independent contractors to meet your business needs, from making sure you comply with state labor and antidiscrimination laws to protecting your intellectual property to drafting and signing agreements.

*Working With Independent Contractors* also has everything you need to know to make sure that any independent contractor you hire is not considered your employee. Lawsuits in this area are very expensive. This book educates employers about how to hire employees legally, without risking legal trouble.

With this book you can avoid misclassifying workers and learn how to:

- create a valid contract
- assess who qualifies as an independent contractor, and
- handle an IRS audit

Includes key forms, such as Worker Classification Checklist, all downloadable through a special link in the book.
