FutureChefs: Recipes by Tomorrow's Cooks Across the Nation and the World Ramin Ganeshram

A curated collection of 150 recipes drawn from the experience and kitchens of young cooks all over America, FutureChefs brings real, cooking-obsessed tweens and teens to the page as relatable characters who span a diverse social and cultural experience. Here, in rich, inspiring detail, is the ethnoculinary America of the future.

Veteran journalist and trained chef Ramin Ganeshram has crafted profiles of serious young cooks who run the gamut of experience, ethnic, and socioeconomic backgrounds to create an inspiring prism through which readers might see what's ahead in America's food culture. Whether they've taken to it because of necessity, inspiration, or sheer passion, these are kids, teens, and tweens who are very serious about food.

Featuring recipes from young celebrity chefs Logan Guleff, winner FOX Master Chef Jr; Kid Chef Eliana and Daniel Hamilton, Alessandra Ciuffo, and Jack Witherspoon from Food Network's Rachael versus Guy as well as the White House's Healthy Lunchtime Challenge winners Sydney Michael Brown and Haile Thomas.

This is a generation more interested in hands-on cooking than ever, but they're lacking material that treats them as a serious part of cooking culture; FutureChefs is the perfect vehicle.

A 2015 IACP Cookbook Awards Winner: Children, Youth and Family
