**Jackals: The Stench of Fascism** Alex Constantine

**An in-depth look into contemporary fascist and far-right extremist activity**

Conservatives who obsess about the threat of Muslim extremism are usually mute as regards the murderous chaos instigated by far-right extremists. In *Jackals: The Stench of Fascism*, journalist and author Alex Constantine explores today's fascism and its historical roots. He cites numerous examples of current fascist terrorism such as Oklahoma City bomber Timothy McVeigh; Kevin William Hardham, the 36-year-old Army field artillery veteran who planted a bomb along the Martin Luther King Day unity parade route in Spokane, Washington in 2011; Pittsburgh cop killer and white supremacist Richard Paplowski; neo-Nazi Keith Luke of Brockton, Massachusetts, arrested after shooting and killing three immigrants from Cape Verde; and antigovernment militiaman Joshua Cartwright, who murdered a pair of sheriff's deputies in Okaloosa County, Florida in 2009; as well as countless others.
