The Emerging Healthcare Leader: A Field Guide (Ache Management) Laurie K. Baedke, Natalie D. Lamberton

In the ever-changing healthcare environment, the profession of healthcare management needs strong leaders who will rise to the challenges of today and carry organizations into the future. The Emerging Healthcare Leader: A Field Guide is an essential resource as you begin your journey from student to healthcare leader. The authors, executives who achieved great success early in their own healthcare administration careers, offer practical suggestions and share anecdotes, personal stories, and valuable lessons learned from professional experiences over the past decade.

This book is organized into three parts:

Part III provides timeless suggestions for opening doors of career opportunity for yourself from securing an internship to succeeding in job interviews, landing that first job, and successfully managing your new role in the world of healthcare management. Brimming with refreshing insights and wisdom, this book provides newcomers and industry veterans alike with resources to advance their career. Woven throughout this field guide are Notes to My 25-Year-Old Self candid reflections by prominent healthcare executives who have made significant contributions to the field today.
