The Well of Destiny (Endangered Norse Gods) (Volume 2) Erik Brodin

I'm Robert Bang, a Norse god, but I grew up thinking I was a regular guy. They'd been lying to me all along. And how can I be a god when I don't even believe in myself? Does that make me an atheist god? Nobody understands what it's like to be me. It's hard. And it's about to get a lot harder. I'm returning to Asgard, land of the Norse gods, on Odin's talking, flying horse. That animal's got some serious issues. Things are getting weirder and more dangerous too. The end of the nine worlds is approaching. The gods call it Ragnarok. They truly believe in the ancient myths, and they're pissed off about the whole situation. They've all got issues, especially Thor, Freyr, and his two-faced sister. I didn't expect things to be this bad. Asgard is worse than high school! And where's that dick Ivan, my friend-turned-enemy? The problem with a shape-shifter is that you never know where he's lurking. Not even the gods know. But I'll have to deal with them and Ivan—wherever he is—or we're all going to die.
