## **Be Afra Volume 2** Oladipo G B Ogunseitan

Be Afra. Be a frater. Be a brother. Be our brother's keeper. 'Love the Brotherhood' was the message of Beloved Afra, for which he was crucified 500,000 years ago on a continent named after him - AFRICA. There are more things in heaven and earth than are dreamt of in our philosophy, science and religion. Life is not a happenstance. The Berlin Act 1885, the Biafran War 1967-1970, June 12, 1993, Sep 11, 2001; the election of Barack Obama as the 44th President of the USA or any other event in life is not a happenstance. This is demonstrated in Be Afra Volumes 1 & 2, using numerological analysis and cosmic clock charting. The Cosmic Law operates throughout the universe, seen and unseen. Be Afra discusses the origin of man, the root races with particular emphasis on the fourth root race, the progenitor of the black race; the law of karma, reincarnation, free will and other aspects of the cosmic law. Each root race has a divine purpose and from the beginning was endowed with divine love, wisdom and power to fulfill that purpose. Each had the knowledge of the cosmic law. Be Afra draws on sacred writings, Ifá, Yòrùbá legends and deep analysis of Yòrùbá language to demonstrate that the black race had knowledge of the Everlasting Gospel, the Teaching that should keep mankind free from ignorance or defiance of the Law. Ignorance of that Law is no excuse. We are who we are and where we are, by series of decisions we took, at the Y-junctions of life. Beloved Great Divine Director, Manu of the seventh (the incoming) root race said: "Perhaps we have been a bit timid ourselves, or should I say conservative and dignified, in not employing more spectacular methods to acquaint mankind with the wonderful product which we have to offer. After all, blessed ones, we are marketing divine freedom to the earth and conveying it to individuals every day, yet we are seldom seen or heard in the marketplace of life. Perhaps the 'shouting from the housetops' through the multitudes of antennas reaching out into the ethers shall one day convey a greater measure of heaven's law to the earth. We shall see." (Pearls of Wisdom Vol. 8 S/No. 21 dated May 23, 1965)
