BNI Building News Remodeling Costbook

This specialized remodeling edition of the Building News Construction Costbooks covers all aspects of this unique type of estimating -- hidden costs, working around existing conditions, minimum quantities. Costs for overhead and profit are different because a different type of contractor does remodeling work and the jobs are much smaller than those for new construction. Costs cover all divisions of the CSI MASTERFORMAT and are presented in a unit price format with separate material and labor pricing. Also included are costs for asbestos removal and an extensive section on demolition. Complete man-hour tables provide labor data and scheduling information.
