Eigen in Seoul, Vol. 1 Michael Eigen

This book is an 18 hour seminar in Seoul, 2007, given over a three day period. It traces transformations of madness in psychoanalysis, particularly Freud, Klein, Bion and Winnicott, and takes up problems of faith and madness besetting the world today. It is filled with clinical portrayals and discussions of personal and social issues. Michael Eigen describes ways we live through challenging experiences in therapy relevant for how life is lived. Discussions go back and forth between clinical details and cultural dilemmas, touching the taste of life, how one feels to oneself. This work is at once personal, learned, down to earth. One gets the feel that a lifetime of dedicated work is being condensed and transmitted, mind to mind, person to person, soul to soul. The seminar traced transformations of madness and faith in psychoanalysis, emphasizing basic rhythms of experience steeped in clinical details, social issues and personal concerns. The reader will feel he or she is a member of an ongoing seminar alive today, this moment, carrying the work further.
