Outer Space Love Keith Pevey

“This is Bruce Thomas with Broadcast of Outer Space program (Bos) coming to you from beautiful Miami, Florida with an exceptional couple from Ft. Lauderdale whose military and civilian lives read like something out of this world. That is actually the honest truth about the outer space galaxy world.” She is a glamorous woman who is unbelievably less than a hundred planetary years of age and closely resembles someone no older than late twenties or early thirties. “I know the math is confusing but it’s really not so hard when you realize she has an expected life time of 300 years.” Outer Space Love is the third book in the continuation of Hyperspace Generator. Outer Space Love offers the action and intelligence of science fiction along with true love romance, untrue love, and plenty of bad guys.
