**The breathtaking new novel from Eimear McBride, about an extraordinary, all-consuming love affair**

Eimear McBride's debut novel *A GIRL IS A HALF-FORMED THING* was published in 2013 to an avalanche of praise: nominated for a host of literary awards, winner of the Bailey's Women's Prize for Fiction and the inaugural Goldsmith's Prize, declared by *Vanity Fair* to be "One of the most groundbreaking pieces of literature to come from Ireland, or anywhere, in recent years," McBride's bold, wholly original prose immediately established her as a literary force. Now, she brings her singular voice to an unlikely love story.

One night an eighteen-year-old Irish girl, recently arrived in London to attend drama school, meets an older man – a well-regarded actor in his own right. While she is naive and thrilled by life in the big city, he is haunted by more than a few demons, and the clamorous relationship that ensues risks undoing them both.

A captivating story of passion and innocence, joy and discovery set against the vibrant atmosphere of 1990s London over the course of a single year, *THE LESSER BOHEMIANS* glows with the eddies and anxieties of growing up, and the transformative intensity of a powerful new love.
