**Come back for another night of dreams coming true at The Zebra Lounge** in the third episode First Visit, but sometimes dreams can turn out to be far different from the fantasy.

Todd was fascinated with black people from an early age and fantasized seeing a blond woman with big masculine and fit black men. After his marriage to his beautiful blond wife Miranda, the face of the woman of his fantasies became his wife's. Todd thought he knew what he wanted, he was sure of it, and he set out on a plan to manipulate his beautiful wife Miranda to satisfy his own desires and lust to see her with a black man.

If you ever wanted to know the answer to the question, "How do I get my wife to go black?" you will discover the way Todd did it, but just be sure that this really is what you want because once you start her down this road, you might not care for where the road leads.
