Collectible Cups & Saucers: Identification & Values, Book 3 Jim Harran, Susan Harran

Book III in Jim & Susan Harran's series is all-new, with no repeats from their first two books. Over 1,000 color photographs are included this time, and the book concentrates on cups and saucers that are readily available to collectors. An expanded section on cabinet cups and saucers is provided, and some of the categories from books I and II are again covered: late nineteenth and twentieth century European and American dinnerware, English bone china and earthenware cups and saucers, miniatures, and mustache cups. There are also two brand new categories in the book, Japanese cups and saucers and art glass cups and saucers made by the leading glass factories in Europe and the United States. A marks section, helpful appendix, and bibliography are once again included, as well as useful tips for dealers and collectors. 2007 values.
