Glen Klinkhart

Finding Bethany Glen Klinkhart

“You don’t have to have a murdered sister to be a good homicide detective, but it helps.” Finding Bethany, a best-selling Alaskan book, is a behind-the-scenes true crime memoir of murder and justice in the Last Frontier of Alaska. Finding Bethany is the true story of how, as a young boy, Glen Klinkhart was unable to save his sister from a heinous sexual homicide, and how he began his journey as a police officer to find the lost, the missing, and to bring those who would do evil upon others to justice. His career as a homicide detective takes the reader along as he travels from the brink of exhaustion and obsession and into the dark and evil world of sociopathic killers, and those who would do anything to help them. Finding Bethany details what real life homicide investigations are like, from his unique perspective as a victim and as a reluctant hero. The reader will experience the bizarre twists and turns down dark paths which result in macabre dead ends, and unexpected miracles found within the darkest of circumstances. His cases include the stories of people who were willing to give of themselves for someone they often didn’t even know. Finding Bethany is also about two brothers – one a sociopath, the other a good man whose own love for his evil brother had been exploited his entire life.

From reader reviews:

Glenda Rizzo:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each guide has different aim or even goal; it means that guide has different type. Some people sense enjoy to spend their time for you to read a book. They are really reading whatever they have because their hobby is reading a book. Consider the person who don't like studying a book? Sometime, man or woman feel need book whenever they found difficult problem or even exercise. Well, probably you will need this Finding Bethany.

Dana Barker:

In this 21st century, people become competitive in every way. By being competitive at this point, people have do something to make these survives, being in the middle of often the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated it for a while is reading. Yep, by reading a guide your ability to survive increase then having chance to stand up than other is high. For yourself who want to start reading the book, we give you this kind of Finding Bethany book as beginning and daily reading e-book. Why, because this book is more than just a book.

Dwight Richardson:

Information is provisions for individuals to get better life, information today can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is inside the former life are challenging be find than now is taking seriously which one is acceptable to believe or which one the resource are convinced. If you have the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Finding Bethany as your daily resource information.

Dianne Roy:

Reading a publication tends to be new life style in this particular era globalization. With reading you can get a lot of information which will give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. A great deal of author can inspire their reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some analysis before they write for their book. One of them is this Finding Bethany.
