## **Francesco Vezzoli** Patrizio Bertelli

Francesco Vezzoli's *Trilogia della Morte* (*Trilogy of Death*) explores video and embroidery, an unconventional combination unified by both passion and effectiveness. *The 120 Seats of Sodom*, inspired by the Italian director and poet Pier Paolo Pasolini's *The 120 Days of Sodom*, aligns 120 black Charles Rennie Mackintosh chairs with embroidered seats before a tapestry showing erotic scenes from other Pasolini films. *Non-Love Meetings*, conceived as a reinvention of Pasolini's documentary *Love Meetings*, in which the director traveled through Italy interviewing people about love and sex, is set in a television studio and evokes *Blind Date* as much as its titular reference. Like *Love Meetings*, it seeks to create a psychological territory in which the public speaks openly about sex and love; like reality TV, it stars a showgirl, as well as actresses from the film world, MTV and soap operas, all of whom are courted by unlikely suitors. A fetching and thought-provoking mix of both formal and colloquial entertainment.
