Power Play Ben Bova

Ross is an assistant professor of astronomy at a western university. His wife recently died in an auto accident, leaving Jake alone and bitterly unhappy.

Leverett Cardwell has been a father figure to Jake, a mentor since Jake was a high school student. He convinces Jake to meet Franklin Tomlinson, a wealthy playboy type who plans to challenge the incumbent Christopher Leeds in the upcoming race for the US Senate.

Jake becomes Tomlinson's science advisor and--at Cardwell's suggestion--pushes the candidate to back MHD, a new way to generate electricity efficiently and cleanly, even using the state's abundant resources of high-sulfur coal.

But there are powerful forces backing Senator Leeds, and they do not want MHD to succeed. Jake becomes involved in political intrigue, a couple of steamy love affairs, and several murders.

MHD stands for magnetohydrodynamics. MHD power generators are real; powerful political forces have prevented their use by the electrical utility industry.

From reader reviews:

Celia Norton:

The book Power Play can give more knowledge and information about everything you want. So just why must we leave the great thing like a book Power Play? A few of you have a different opinion about publication. But one aim that will book can give many facts for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or info that you take for that, it is possible to give for each other; you are able to share all of these. Book Power Play has simple shape however, you know: it has great and large function for you. You can appear the enormous world by wide open and read a reserve. So it is very wonderful.

Billy Salazar:

Here thing why this Power Play are different and reliable to be yours. First of all looking at a book is good nonetheless it depends in the content of it which is the content is as tasty as food or not. Power Play giving you information deeper and in different ways, you can find any publication out there but there is no publication that similar with Power Play. It gives you thrill reading through journey, its open up your current eyes about the thing that will happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your technique home by train. When you are having difficulties in bringing the published book maybe the form of Power Play in e-book can be your substitute.

Jay Klein:

This Power Play are usually reliable for you who want to certainly be a successful person, why. The explanation of this Power Play can be among the great books you must have will be giving you more than just simple reading food but feed an individual with information that maybe will shock your preceding knowledge. This book is actually handy, you can bring it everywhere and whenever your conditions in e-book and printed ones. Beside that this Power Play giving you an enormous of experience for instance rich vocabulary, giving you trial of critical thinking that we all know it useful in your day action. So , let's have it and luxuriate in reading.

Roberta Anglin:

Your reading 6th sense will not betray you, why because this Power Play book written by well-known writer whose to say well how to make book that can be understand by anyone who all read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your own personal hunger then you still doubt Power Play as good book not merely by the cover but also through the content. This is one publication that can break don't ascertain book by its handle, so do you still needing yet another sixth sense to pick this specific!? Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.
