## **Saving Lurien (Time Lord Series) (Volume 3)** Teckla Satterlee

Lurien has been a slave for as long as he can remember. Captured by Humans as a child, he's spent his years in darkness and pain—unaware that he has a champion in the outside world. Holding onto hope is a dangerous thing, but it's all he has left as he suffers at the hands of his Mistress and her Human guards. After his cousin's disappearance, Damis set out on his own to face the perils of the world and the dangerous Humans to find Lurien and return him to the world they once shared. When his every lead turns up cold and the winter approaches, it seems all may be lost for the young Libyons until whispers of a Time Lord who escaped slavery reaches Damis' ears. Answering his plea for help, the powerful and magic wielding Time Lords, Tukil and Katelyn, take Damis under their wing. Together, with a motley crew of Shifters, Libyons, Trolls, and Time Travelers, they set out on a mission to free Lurien and all the others who have fallen victim to the Human's vile slave trade. By a twist of fate, Lurien and Damis are reunited, but even though the physical chains are broken, the ones on his heart and soul remain. In order to survive this thing we call life, one must shed his fears and the other must look at the world through a slave's eyes.
