Shock & Surprise Beyond the Rapture: The Great Mystery of the Ages Revealed! Gary T. Whipple

From the author: "My goals in writing this book were to first expound upon an unseen continent of truth. A continent so vast, that no man has measured it's boundaries, or sounded it's depths. A continent of vast knowledge known in the scriptures as the 'above knowledge' (Gr. 'epignosis'). My second goal in this writing was to place as much of the 'above knowledge' (super knowledge) in as few drops of language as possible. Thusly, this book will represent the work of thirty-five years of Bible study on the doctrine of salvation, compressed into fourteen chapters.

The reader is challenged as he reads this book to not just read what is written but to study as well the precepts and truths presented. This can best be done along with an open Bible. It is suggested that the reader first read these fourteen chapters slowly, and then to read them again many times in a mode of study and prayer.
