Are fairies real? Folklorists say they are fragments of ancient religious beliefs; occultists call them nature spirits; the peasant tradition says they are fallen angels. Dr. Evans-Wentz, best known for translating *The Tibetan Book of the Dead*, presents tradition and testimony about an elusive religious order that survives in the natural setting of wild and lonely places. Not satisfied with formal study, he presents first-hand reports of fairies in Wales, Ireland, Scotland, and Brittany, opening a path to the luminous reality behind the traditions of folklore.
