Highland Pawn Evie Mackenzie

Maggie Fraser is willing to do whatever it takes to save her family's estate, even gaining the cooperation of the ruthless Duke of Westingham. She possesses what he desires most—a maidenhead ripe for the plucking. Her journey takes her to a dangerous part of the Highlands, a voyeur's paradise known as Bare Brook. When she finds herself in a bind, the devilishly sexy Alexander MacKay comes to her rescue. The kilted warrior is not only the duke's biggest adversary, but also her greatest weakness. Alex is on a mission to destroy the Duke of Westingham when he's forced to play Maggie's protector. To say the alluring Miss Fraser is a distraction is the understatement of the century. She wants him to teach her how to seduce and please a man, and the fire between them burns out of control. When he learns she's saving herself for the duke, he's more determined than ever to kill the man. But his actions could destroy her family and drive a permanent wedge between them.
