Informix is quickly becoming an Industry standard; just recently it conquered the number two position in the RDBMS market with 17% market share. With the latest release, Informix will secure its position and is poised to continue gobbling up market share. To that end, Informix Unleashed is written directly to the large, growing Informix market. It provides Informix Database administrators with key, timely information about Informix, such as installation and configuration, parallel database query, data management, SQL tools, New Era -- the new object oriented client/server development tool -- and serving data on the World Wide Web.

- Includes chapters on New Era, the new object-oriented client/server development tool
- Covers Multiple versions to address the needs of Administrators for legacy systems
- CD-ROM includes valuable software utilities and source code from the book
