## **Interference (Lorimer Sports Stories)** Lorna Schultz Nicholson

Josh has finally made it to an elite hockey team and is determined to play as well as his older brother, Matt. But Josh's body is not cooperating. He's so tired and sluggish at practice -- and so thirsty and hungry all the time -- he worries he'll be cut from the team. On top of everything else, Matt is at war with his father because he wants to quit hockey and take up drama. Little does everyone know, Josh's undiagnosed Type 1 diabetes is working against him -- and getting more serious by the day.

*Interference* combines a compelling story with an accurate portrayal of a disease that poses a challenge and yet offers opportunities for understanding and accepting the gifts every individual is given.
