The author, an accomplished trial attorney and highly acclaimed teacher, then extensively analyzes a court transcript from one of Lanier's famous trials so you can learn the building blocks for an opening statement and apply Lanier's techniques at your next trial. At the end of the chapter, there is a checklist that summarizes Lanier's tips. Other chapters feature highly acclaimed lawyers such as Alan Dershowitz who explains the key to a successful cross-examination and Lisa Blatt, the woman with the most appearances before the U.S. Supreme Court, who shares her secrets for a successful oral argument. In short, this book will teach you everything you need to know from deposition to trial to appellate oral advocacy from the finest lawyers in the USA.
