When the Pigs Took Over

Arthur Dorros, Diane Greenseid

When the Pigs Took Over Arthur Dorros, Diane Greenseid

Here is a riotous tale of two brothers-one small but enormously sensible, one big but a little crazy-told with the warmth and sprinkling of Spanish found in the author's other beloved, groundbreaking books, *Abuela* and *Isla*.

Don Carlos always likes more. "¡M´s!" he says. More! More what? More of anything: He likes to wear more hats (sometimes ten at a time). He likes more ice cream (he'll eat several cones at once). But most of all, he likes to serve more at his restaurant, the only one in town. People love to eat his huge platters of food and listen to his little brother Alonzo's beautiful violin playing. But, never content, Don Carlos decides to add another dish to his menu-caracoles, snails. Unfortunately, the snails have their own dining plans, and soon the town is overrun by plague after plague of greedy animals. It's up to little Alonzo to clean up his brother's latest, greatest excess.

Diane Greenseid's illustrations glow with the sun-baked colors of the American Southwest, providing a setting as zesty as this flavorful tale. Like Don Carlos, readers will just want MORE.

From reader reviews:

Ebony Thornton:

Book will be written, printed, or illustrated for everything. You can realize everything you want by a guide. Book has a different type. As you may know that book is important thing to bring us around the world. Next to that you can your reading talent was fluently. A reserve When the Pigs Took Over will make you to possibly be smarter. You can feel much more confidence if you can know about every little thing. But some of you think in which open or reading any book make you bored. It isn't make you fun. Why they may be thought like that? Have you searching for best book or ideal book with you?

Steven Peterson:

Here thing why this specific When the Pigs Took Over are different and reputable to be yours. First of all examining a book is good nevertheless it depends in the content than it which is the content is as tasty as food or not. When the Pigs Took Over giving you information deeper since different ways, you can find any reserve out there but there is no guide that similar with When the Pigs Took Over. It gives you thrill studying journey, its open up your own personal eyes about the thing this happened in the world which is possibly can be happened around you. You can easily bring everywhere like in park your car, café, or even in your way home by train. If you are having difficulties in bringing the printed book maybe the form of When the Pigs Took Over in e-book can be your substitute.

Edmund Morrissette:

Nowadays reading books be than want or need but also work as a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want get more knowledge just go with education and learning books but if you want sense happy read one having theme for entertaining including comic or novel. The When the Pigs Took Over is kind of e-book which is giving the reader unforeseen experience.

George Medrano:

This When the Pigs Took Over is great book for you because the content and that is full of information for you who all always deal with world and possess to make decision every minute. This particular book reveal it information accurately using great manage word or we can declare no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having When the Pigs Took Over in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no reserve that offer you world throughout ten or fifteen small right but this publication already do that. So , this really is good reading book. Hello Mr. and Mrs. occupied do you still doubt in which?
