Judgement of the Pharoah: Crime and Punishment in Ancient Egypt

Joyce Tyldesley

Judgement of the Pharoah: Crime and Punishment in Ancient Egypt Joyce Tyldesley

Joyce Tyldesley's original book carefully unmask for the first time Ancient Egyptian crimes and criminals. She meticulously recreates a series of crimes, from grave robbing, false embalming, necrophilia and bestiality to a superb recreation of the murder of Tutankhamun (which reassesses the evidence for his murder and rejects it). She also introduces us to some of the inhabitants of the town of Dair et Medine, the dwelling place of fifty craftsmen and their families who worked exclusively in the nearby Valley of the Kings. Their crimes and misdemeanours were carefully recorded, and give a vivid insight into Ancient Egyptian attitudes towards sex and death, property and punishment.
