Kidnapped (movie tie-in): Tie In Edition (Penguin Classics)

Robert Louis Stevenson

Kidnapped (movie tie-in): Tie In Edition (Penguin Classics) Robert Louis Stevenson

Set against the aftermath of the 1745 Jacobite Rebellion, the gripping drama of **Kidnapped**—originally published in 1886—takes readers to the danger and intrigue of a Scotland sundered by revolution. The story is told by David Balfour, a young Whig and Lowlander whose odyssey is a microcosm of the struggles besetting his country. Tricked by a miserly uncle, he survives attempted murder, kidnap, and shipwreck, only to escape through the Highlands in the company of Alan Breck—a Jacobite adamantly opposed to Whigs like Balfour. Running for their lives, the two fugitives must rely on each other even as the ancient misunderstandings between them force tensions to the breaking point. A riveting page-turner and work of social commentary, *Kidnapped* is one of Robert Louis Stevenson's greatest works.

- Includes an introduction that explores the social and political background to the novel, notes, and a glossary
