Dreamweaver UltraDev combines the best features of Dreamweaver with UltraDev. UltraDev allows designers, programmers, and developers to visually create and edit data-driven Web applications on multiple server platforms. Dreamweaver UltraDev Fast & Easy Web Development introduces you to the wide variety of functions that can be achieved using a server-side scripting language. It covers the expanded functionality of UltraDev--the support for industry servers, integration with leading development tools, and its extensive database support. This book is great for Web developers, programmers, or designers who may be familiar with Dreamweaver or UltraDev, but are looking for a quick learning tool to get up and running with Dreamweaver UltraDev. The visual, step-by-step format is great for users with little or no experience using this product's predecessors.
