On the Odd Hours (Louvre Collection) Eric Liberge

The highly successful series of graphic novels co-published with the Louvre museum in Paris (“Glacial Period”, “Museum Vaults”) continues with its next outstanding graphic novel. This time, the author invites us on a guided tour of the museum... by night... when the works of art come alive. Our guide: a deaf night watchman who somehow manages to communicate with the souls of those ethereal and timeless works of art. A visual tour de force with a strong edge of the frighteningly fantastic.
