Church planters Tony and Felicity Dale and acclaimed researcher George Barna bring a big message to God's church. How might we change the world if our Christian faith began multiplying at a rapid pace?through a way of life that is explosive and transformational? It happened once before, in the early days of the church; what will it take to bring us to that point of urgency and determination again? *Small Is Big* (originally published as *The Rabbit and the Elephant*) offers keys to 21st-century evangelism: leveraging the power of the small?and taking the gospel to where the people are and the pain is. And as God uses us to channel Jesus' love into a hurting, desperate world, we'll see his church grow beyond anything we could have imagined.
