## **The Origins of Elves & Fairies** joseph martin

The Origins of Elves & Fairies has been a widely debated topic for many generations. This book provides a fascinating insight into the realm of nature spirits, and examines the profound connection human beings can have with these entities. By exploring how, where and when we encounter the spirits of Nature, the book offers an entirely unique approach to understanding the world of elves and fairies, and even more importantly, considers what our spiritual connection with the spirits of Nature signifies for our human soul.
