Wild Bees: New and Selected Poems Martin Harrison

Subtle and sharply lyrical, these poems shimmer on the eye while being deeply held at the back of the mind. Martin Harrison has been described as a writer whose poetry is a meeting place between the immensity, and intensity, of the Australian environment and the hi-tech world of everyday life. Collected here is the poet's own re-casting of his work since the early 1990s, setting accomplished poems from earlier books in the company of recent poems and prose poems. Martin Harrison's Wild Bees: New and Selected Poems marks a place of arrival and a new departure.
