Alba Reborn, Book One, Revised: Transformation of the Soul Jill Frew Ph.D.

Alba Reborn is the story of a Celtic girl and boy, Soillse and Firinn, in first century Scotland or Alba, BCE. He is destined to become high king of the Isle of Skye and she a renown healer. Book One is the tale of their growing years: both drawn to the druid, Coillore, and his teachings about the realms of light of the Otherworld. On a hidden path of love, Coillore shows them how ancient fears from their fall from heaven are creating the sufferings in their lives, how to heal these, and achieve their highest dreams. Every reader can do the same. Contained in Coillore's lessons are the planes of the cosmic Diamond Core, the seventh heaven and its consciousness of enlightenment. The regents of the Celtic pantheon and the hidden streams of Celtic cosmology are explained in rich detail, the result of thirty years of painstaking meditation and research by the author. This book is a call to the people of Alba to raise the standard of love and renew their ancient spiritual traditions. But it is equally a call to all people on earth to move through the transformation process illustrated in the lives of Soillse and Firinn, to heal all inner fear, and thus create heaven on earth.
