International Code Council

2015 International Fuel Gas Code International Code Council

The 2015 INTERNATIONAL FUEL GAS CODE LOOSE LEAF sets forth requirements that address the design and installation of fuel gas systems and gas-fired appliances, based on the most current information and technology available. The requirements are performance-driven, making this an effective tool and valuable addition to a user's code products. In this updated code, the section on protection of piping has been completely rewritten, and readers are informed that line regulators installed in rigid piping must have a union installed to allow removal of the regulator.
