When I was just a little girl, I began to hear about Jesus. I learned wonderful songs of how he walks with me and talks with me along life's narrow way. And how to Trust and Obey for there is no other way. And a little light that was 'mine' I was supposed to let it shine. As I began to grow up I had many questions in my heart. I loved Jesus there was no question of that. But I never really understood how He could walk with me and talk with me, or what it meant to truly trust and obey. And I was not sure at all about having a light that would shine. God used candy to help teach me the answers to many of these questions. He became real to me through the years of seeking Him, in how to share Him with others, so they could truly know Him and experience Him, without pretence. I invite you into the world of A Candy Ministry where candy becomes the focal point. (Candy is a non-threatening (focal point/subject) to begin sharing the gospel of Jesus Christ with others). Where candy is coded not coated so it melts in your heart not your hands. You will experience messages that will speak to the nature of the heart of the child inside of you, no matter your age. This touch, taste, and feel ministry is brought to you with the hope that you will have a better understanding of God and His love for you. I pray as you read this book that you will experience "life changes". We experience trials of many kinds and need support and encouragement as we go through them. Candy messages offer a new way to look at things based on God's word.
