You will not achieve fulfillment and happiness until you allow God to be the architect of your reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through prayer.

You will be able to release all fear and doubt simply because you know that God gives you the strength. You can utilize this simple, proven technique to regain the lost comforts of joy, love, and fulfillment in your life. God's gift of life is too short to be exhausted on thousands of everyday anxieties and fears. Sadly, the average person will get to the end of their life and realize that more than half of it was spent struggling with these kinds of problems. Because they didn't know what to do, many of these people never found any satisfaction in life. You can and will become bigger than those struggles by enhancing the positive energy that God already has flowing within you.

You are exactly who you think you are, and it's up to you to create those thoughts and manifest them as God's creation. No more lack of faith, motivation, and feelings of doubt in your life. No person can find happiness in an environment beyond his or her control. But you **can** get up, get out, and take control **with** God.

Get what you want and desire from the world like millions of others around the globe using prayer. You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality. By using prayer daily, you will unlock that natural potential that God placed inside of you.

Prayer starts by creating a cycle of continuous prayers. You must **believe and repeat** these declarations and prayers each day. If the thoughts and ideas that we affirm are not true in reality, a dynamic tension is created between your perceived reality and your psyche. This presence of dynamic tension causes imbalance between your psyche and perceived reality. Your consciousness will work to get back in tune with the God's vision of the universe to resolve the tension. There are two simple ways to ease this tension. You must work with God's creation in order to make your declarations become true, or you must stop the prayer. As you choose to continue praying, your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth. Sooner than later, you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality.

If you want to see positive change now, you'll find the quickest path to fulfillment with prayer through God's love. There is no time to spend on loss, negativity, and defeat when you can be achieving tangible, historically proven results with minimum time and effort invested.

There is no limit to changes that God can make in your life through the power of creating truth with prayer...
